

ZEBRA TECHNOLOGIES — ZEBRA® ZXP SERIES 3™

SEE MORE. DO MORE.

Reliable and easy-to-use, the ZXP Series 3 is everything you could want in a compact card printer. The ZXP Series 3 is an ideal solution for **single- or dual-sided printing applications** that require minimal operator training and **excellent print quality**.

Value Proposition

- Versatile
- Compact size
- Multiple encoding options

Key Benefits

- Compact size facilitates front-office deployments
- Ease of use
- Outstanding print quality
- Quick access to service and support tools and tips through Near Field Communication (NFC) & QR code tags
- Magnetic encoding and smart card options
- Ethernet connectivity and network management software enable large-scale deployments

Applications

- Membership, loyalty and gift cards
- Employee ID and access control cards
- Student ID cards
- Library cards
- Instant issuance bank cards

Conversation Starters

“ Are you able to estimate how many cards you issue in an average print job during a day?”

“ Do you need to store or encode data on your cards?”

“ Do you need to fit your card printer in a tight work space environment?”

“ How do you manage your staff and visitor IDs?” ”

ZEBRA TECHNOLOGIES — ZEBRA ZXP SERIES 3

SEE MORE. DO MORE.
