

ZEBRA TECHNOLOGIES — ZEBRA® ZXP SERIES 7™

SEE MORE. DO MORE.

The ZXP Series 7 provides professional, high-quality card printing. The printer delivers **fast yet reliable performance** while offering users **exceptional value** by lowering the printer's total cost of ownership. Time after time, the ZXP Series 7 prints **sharp vivid cards with precise color control.**

Value Proposition

“ Are you looking for a card printer that is efficient to own and operate?
Do you need to print sharp, photo-quality images?
Are you looking for added security features and lamination options? ”

Key Benefits

- Robust design works out of the box in a wide range of environments and applications
- Up to three jobs can be in process at the same time
- Quick access to service and support tools and tips through Near Field Communication (NFC) & QR code tags
- High-capacity ribbon cartridges result in less operator time changing supplies
- Wasteless single- or dual-sided lamination
- UHF RFID encoding and 802.11 b/g wireless connectivity

Applications

- Employee ID and access control cards
- High-security ID cards
- Personalized gift, loyalty and membership cards
- Student ID cards
- Event ticketing

ZEBRA TECHNOLOGIES — ZEBRA ZXP SERIES 7

SEE MORE. DO MORE.
